Natural Kirklees

Trustees' report (continued) for the year ended 30 September 2020

Objectives and activities

The charity's objects

1. To promote for the benefit of the public the conservation, protection and improvement of the physical and natural environment in Kirklees by promoting biological diversity.
2. To advance the education of the public in the conservation, protection and improvement of the physical and natural environment.

The charity's main activities

Umbrella organisation for volunteer groups in Kirklees promoting conservation and biodiversity. Providing free insurance and tool share for groups working on Kirklees green spaces.

Public benefit statement

In setting our objectives and planning our activities our Trustees have given serious consideration to the Charity Commission's general guidance on public benefit and in particular giving help and support to the 113 member volunteer groups who work tirelessly to improve their green space, hold events to raise funds and most importantly bring the local community together. In normal, unrestricted years the final outcome is £1,000,000 in volunteer time improving green spaces and looking after the environment, conservation, education and guidance on working practices, grants, exercise, fresh air, good company and a healthy feeling.

Achievements and performance

The Charity has continued to operate as the umbrella organisation for "Friends of" groups and green space management groups. We currently have 113 group members and 9 individual members.

We have continued to provide our free Insurance Scheme to 72 Full Member Groups which still saves £120 per annum on average to each group concerned.

We have continued to offer our free tool loan scheme to both Full and Associate member groups. We have extended the availability of this scheme to School Groups and Church Groups who by definition do not qualify for membership.

We have continued to work in collaboration with another local Charity to continue our Invasive Species Eradication Scheme.

We have held the first round of our "Small Grants Scheme" and have granted funding to seven groups for projects they have run throughout this year.

The onset of the Coronavirus pandemic has halted our Quarterly members meetings and to keep in touch with our member groups we have been sending regular Newsletters keeping them up to date with how the trustees are working to keep the charity operational and keeping them abreast of the latest Government and Local Authority guidelines concerning the virus.

We have remained available to members by e mail and Zoom to answer any queries they may have had.

Covid-19

Whilst the coronavirus has had a significant effect on our day to day activities (as we have had to modify our role as regards site visits and meetings) the financial effect will be minimal as we continue to hold funds for the coming year and do not anticipate any significant fall in funding.

At the time of signing these accounts the charity has been impacted by the global Covid-19 virus. The trustees have reassessed the charity's ability to continue for at least 12 months from the date that the accounts are approved and conclude that no material uncertainties exist that cast significant doubt on the charity's ability to meet its liabilities as they fall due.

Independent examiner's report to the trustees of Natural Kirklees Charitable Incorporated Organisation ('the CIO')

I report to the charity trustees on my examination of the accounts of the CIO for the year ended 30 September 2020, which are set out on pages 6 to 9.

Responsibilities and basis of report

As the charity trustees of the CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the CIO's accounts as carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the CIO as required by section 130 of the Act; or
- 2 the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
